

## **School Closing Menu Procedure**

What is on the lunch menu when students come back to school after an unscheduled school closing, for example a snow day?

The lunch planned for the "Snow Day" menu is served the next day school resumes. The kitchen staff prepare a day in advance therefore the food for the "Snow Day" menu is already prepped and ready to cook.

For example: school is canceled on Tuesday and resumes on Wednesday, Tuesday's lunch is served on Wednesday when the students return. Wednesday's lunch will be SKIPPED entirely. On Thursday, we will be back on schedule with Thursday's menu.
